

Flight Instructor Open Forum

Main topic: Main topic: "Go-Arounds" -- When to, Plan for and "Do" -- 'What's happening out there', based on National accident data. Also, "basic flight instruction techniques" and open discussion on better risk management and decision making practices in all pilots. The purpose: review how we teach these "live saving habits". This Forum meeting series DOES NOT RESULT in credit for CFI renewal.

Directions: I-80 to Lincoln, Exit 399, take road to Lincoln Airport Terminal, left on N. Park Road, proceed on road towards Duncan Aviation, FAA office is in the first one-story building on left, left side of building.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
